

What does this mean for me?

**STARTING
JANUARY 1, 2022,
RESIDENTS AND
BUSINESSES WILL
BE REQUIRED TO
COMPOST ORGANIC
MATERIALS ON SITE
OR THROUGH THEIR
GREEN RECOLOGY
COMPOST BIN.**

**THESE
ITEMS CAN
BE PLACED IN
YOUR GREEN
BIN**

Composting is as Easy as 1-2-3!

1 Put your food scraps in a pail in a convenient spot in the kitchen.

2 Empty food scraps into your green bin at home or work regularly to reduce smells or residue build up.

3 Recology will service your green bin and take your organic material to a compost facility!
